Monaco (P.ty) 23 February 2023 – WES is glad to announce a new, great hosting venue for the **Monaco Round** to kick-off the 2023 UCI E-MTB XC World Cup racing season. For the first time, the traditional season opener in collaboration with the Monegasque Federation of Cycling will take place in **Breil-sur-Roya**, with brand-new, exciting racetracks designed on a mountain area overlooking the Monaco Principality Bay with breath-taking views.

Breil-sur-Roya is part of the **Historical Sites of the Grimaldi of Monaco** in the Provence-Alpes-Côte d’Azur, therefore, part of the heritage of the Principality in the French territory.
