

WES partnering with SEL and Ship To Cycle

Monaco (P.ty), Thursday 3 June 2021 WES Management is pleased to introduce **SEL – Sport & Events Logistics** as a logistics partner for this season.

With offices in Italy, Switzerland and The Netherlands, SEL specialises in transporting race vehicles, sports equipment and event materials plus managing the movements of bus fleets and sports people all over the world.

For 18 years SEL was the Official Carrier for Moto GP and a partner of many other international events worldwide. SEL supported events such as Superbike, MXGP, Lamborghini, Universiade of Naples, and Cortina 2021 amongst others.

Their new service **Ship To Cycle** aims to take the stress out of transporting bikes and E-bikes by offering a **cargo bike transport service** for teams and groups and a **door-to-door service** for individuals.

Ship To Cycle has been designed for all those who need to transport their bike from one destination to another effortlessly. This service relieves cyclists from the stress of transporting their bike to the airport and avoids the further inconvenience of the transfer to the race venue or hotel.

SEL and Ship To Cycle offer competitive rates for individual bike transport and cargo shipments within Europe and around the world. Below is a list of services provided:

Individual bike shipping

- Door-to-door service – pick-up and delivery anywhere, based on address given
- Provided by the best international couriers

Group freight shipping for teams, suppliers and stakeholders

- On site pick-up and delivery at any event location
- Air, Sea, Land Freight
- ATA Carnet
- Customs Clearance
- Warehousing
- On site handling
