

Press Release

WES Bologna Montana Round confirmed to take place next 28-29 May

Monaco (P.ty) Monday 11 April 2022 – WES is glad to announce the presence of the **Metropolitan City of Bologna** in the 2022 racing calendar.

Italy will once again host the UCI E-MTB XC World Cup event, this time in the area of **Monghidoro**, in the Apennine Mountains, **next 28-29 May**.

The second round of the season is confirmed and refreshed, being a renewed tradition with brand-new exciting tracks debuting in the World Cup double-race format. The event is to take place at the E-xplora facilities located in the **BO.M.B.A area (Bologna Montana Bike Area)**, within the Bologna-Modena Touristic Territory, a spectacular destination for all E-mountain bikers, excursionists and nature lovers, well known at a national level and consolidating its international positioning by hosting a WES event.

The tracks will be unveiled in the upcoming weeks.

The “Ride WES” will take amateurs on and around the World Cup trails and it will be part of a wider offer of activities for riders with different levels of experience and skills, including families and kids.

Pro-riders and Amateurs can apply to the Bologna Montana Round [HERE](#)
